TECHNICAL SECTION

STRUTTURA

Bracciolo e schienale in agglomerato di legno a bassa emissione di formaldeide con parti di tamponamento in fibra di legno e massello in abete, fissato tramite bulloni al pannello base, predisposto con forature atte a ricevere schiene e braccioli. Pannello in MDF nero (spessore mm. 25) con traforature che consentono lo scarico di umidità e facilitano il riciclo d'aria delle cuscinate.

IMBOTTITURA

Tutte le imbottiture sono realizzate con poliuretani indeformabili privi di sostanze SVHC, certificate non tossiche. Cuscini seduta in poliuretano espanso indeformabile densità D45, cuscini schienale in D18S; braccioli in D30. Tutto rivestito in falda da 300 gr termoaccoppiata ad agugliato in poliestere 100%, rivestiti con cuffia fissata alla struttura in resina di poliestere 100% accoppiata a vellutino poliestere 100%.

PIEDI

In metallo H 120 mm con finitura carbon look, disponibile nella versione stiletto classico o stiletto con base easy-move (optional). Completo di gommini antisdrucciolo.

FRAME

Armrest and backrest frame made of low formaldehyde emission particleboard. Reinforcement parts made of wood fibre and solid fir wood bolted to the base panel perforated to receive backrests and armrests. Black MDF panel (25 mm thick) with perforations to remove humidity and facilitate air circulation in the cushions.

PADDING

All the paddings are made of non-deformable polyurethanes free of SVHC substances, certified to be non-toxic. Seat cushions made of non-deformable D45 density polyurethane foam; back cushions made of D18S; armrests made of D30. All covered in a 300 g polyester needle-punched fabric, covered with 100% polyester resin cover fixed to the structure bonded to 100% polyesterfelt.

FEET

In metal H 120 mm with carbon look finish, available in the classic stiletto version or stiletto with easy-move base (optional). Complete with non-slip rubber pads.

STRUCTURE

Structure accoudoir et dossier en aggloméré de bois à basse émission de formaldéhydes avec fileurs de remplissage en bois et pin massif, fixé par des écrous au panneau de base, prédisposé avec des fors prêts à accueillir dossier et accoudoir. Panneau noir en MDF (épaisseur 25 mm.) avec des trous qui permettent l'évacuation de l'humidité et qui facilitent le recyclage de l'air des coussins.

REMBOURRAGE

Tous les rembourrages sont réalisés en polyuréthane expansé indéformable sans substances SVHC, certifiés non toxiques. Coussins assise en polyuréthane expansé indéformable de densité D35; les coussins dossier sont en expansé de polyuréthane D18S; accoudoirs en D30. Le tout recouvert en couche de 300gr polyester needle-punched fabric, covered with 100% polyester resin cover fixé à la structure en résine de polyester 100% couplée à du velours 100% polyester.

PIEDS

En métal H 120 mm avec finition carbon look, disponible en version stiletto classique ou stiletto avec base facile à déplacer (en option). Complet avec patins en caoutchouc antidérapants.

STRUKTUR

Armlehne und Rückenlehne aus Holzagglomerat mit geringen Formaldehyd-Emissionen und Füllungsteilen aus Holzfasern und massiver Fichte, an der Bodenplatte verschraubt, die zur Aufnahme von Kissen und Armlehnen vorgebohrt ist. Mehrschichtige Platte aus Birkenperrholz (30 mm dick) mit Bohrungen, die die Feuchtigkeit entweichen lassen und die Luftzirkulation der Kissen erleichtern.

POLSTERUNG

Alle Polsterungen bestehen aus nichtverformbaren Polyurethanen, die frei von SVHC-Stoffen sind und als ungiftig zertifiziert wurden. Sitzkissen aus nicht verformbarem Polyurethanschaum mit doppelter Dichte D32-D20S, Rückenissen in D18S; Armlehnen in D30. Alle sind mit 300 g thermogekoppeltem Polyester-Nadelfilz (100 %) gepolstert und mit einem Bezug aus Polyesterharz (100 %) und Polyestersamt (100 %) an der Struktur befestigten überzogen.

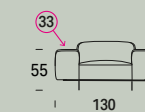

FÜSSE

Die Füße sind aus Metall, haben eine Höhe von 120 mm und sind in der klassischen Stiletto-Version oder in der Stiletto-Version mit leicht beweglichem Fuß (optional) erhältlich. Komplett mit rutschfesten Gummipads.
